

ORANGEMINDS PRESCHOOL SOLUTION

Your Preschool. Your Brand. Our Expertise.

About **Acadmart**

At Acadmart, we believe that every great preschool begins with a strong foundation, your own brand, your own values and your own vision. We help educators, edupreneurs and passionate individuals set up and scale their preschools without the burden of royalty fees or rigid franchise rules.

From concept to classroom, we offer end-to-end support including branding, infrastructure guidance, curriculum frameworks, marketing design and digital presence. Whether you're starting fresh or switching from a franchise, we empower you to launch with confidence, creativity and control.

OUR FOUNDERS

Pradeep Pillai
CEO

With deep expertise in education business operations, Pradeep scaled Kidzee from 450 to 1200+ centres and grew Mount Litera Schools threefold. As CEO of AcadMart and Co-Founder of OrangeSlates, he focuses on designing engaging, future-ready preschool environments, combining smart operations with strong academic foundations.

A seasoned education leader, Sindu brings 20+ years of expertise in curriculum design, assessments, and educator training. At Zee Learn, she led the complete academic and operational transformation of Kidzee, Asia's largest preschool chain revamping curriculum, training 1000+ educators and launching the I-Care program in 1500+ centres in collaboration with OMEP. Now at OrangeSlates and AcadMart, she continues to shape scalable, high-impact early learning programs.

Sindu Aven
COO

Vishal Khutel

Head -
Marketing & Tech

An expert in early years innovation, Vishal led the rebranding of Kidzee, aligning curriculum and communication for over 1200 centres. At Zee Learn and Cambridge English, he designed learning frameworks and assessments across South Asia. As Co-Founder of OrangeSlates and AcadMart, he built India's first premium early learning lab and continues to drive preschool innovation through educator upskilling and product design.
